

Covid-19 (Corona Virus)

(Update 1st January 2021)

Hello again to all our members and friends of OCC.

The start of a New Year is finally here and although we cannot celebrate it in our normal way let us hope that there is light at the end of the long tunnel we found ourselves in during 2020. Currently however we must be patient and continue to stay safe.

To that end I must advise you that to comply with the Governments instructions issued 31st December, the club and its activities must remain closed for the near future. We will of course reassess this position as soon as the Government revises its position.

May I take this opportunity on behalf of the committee and myself, to wish you all a Happy New Year. We look forward to seeing you again at OCC when we can open once again. In the meantime, please stay safe.
